Contact/Phone: _____

Quantity as Specified below: _____

PRODUCT DESCRIPTION

One of our most popular products, Pre-cut MC Cables come pre-stripped at both ends. At the end of the jacketing on either end, we've pre-installed push-in connectors. Each wire is stripped at both ends and terminated with a 3-wire Lever-nut®. Specify your desired length as well as wire type, size, count and color combination. Every Pre-cut MC cable request is made to order.

LENGTH ¹	STRANDED	AWG	CONDUCTORS & COLORS
	STR Stranded	14	2BW BLK / WHT / GRN
	SOL Solid	12	3BWR BLK / WHT / RED / GRN
